DEPARTMENT OF CIVIL ENGINEERING **UNIVERSITY OF PITTSBURGH**

MASTER'S DEGREE PROGRAM OF STUDY ☐ PROPOSED ☐ REVISED ☐ FINAL

The following is a Program of Study for the degree of Master of Science in Civil Engineering. **A proposed Program of Study must be submitted for Program and Department approval before the end of the eighth week of study during the first term in residence. This proposed program of study may be changed by a student in consultation with the Faculty Advisor. During the last week of the term prior to the one in which the student expects to complete the proposed program, a final approved program of study must be submitted to the Department of Civil Engineering for appropriate processing. An Application for Graduation must also be filed at that time in the Office of Engineering Administration.**
