	PHYS (Recitation)			
	ENGR (Computing)			
	ENGR (Seminar)			

Trial Schedule

	Mon	Tues	Wed	Thurs	Fri
8am					
9am					
10am					
11am					
12pm					
1pm					
2pm			SEMINAR		
3pm					
4pm					
5pm					
6pm					
7pm					
8pm					
9pm					

Alternative Elective Choices

	5-digit Class #	Dept	4-Digit Catalog #	Credits	Time	Days	UHC?	Permission #, if required
1								
2								
3								
4								
5								

I understand that I am responsible for appropriately selecting and enrolling in classes according to Swanson School of Engineering guidelines and graduation requirements. All Humanities/Social Science classes I select must come from the approved Swanson School of Engineering list and I understand that I am responsible for taking Integrated Curriculum classes according to the guidelines set forth for me by the Freshman Engineering Program. If it is discovered that I failed to adhere to these guidelines, I understand I will be dropped from my courses and that I will be registered by an advisor on the last day of self-enrollment for next term.

NOTES:

**You may not take Phys 2 without also taking/having taken MATH 0230.

***If you placed into ENGCMP and did not take it in the fall, you must take it in the spring term.
